

SOUTHWEST LOCAL SCHOOL DISTRICT

Annual Physical Form

All Southwest Local School District employees and their spouses (if applicable) are required to have an annual physical.

Preventative care is less costly than treating illnesses often prevented by routine examinations. Screenings performed by an in-network physician are covered in full by our health plan as long as they are for preventative services.

Employees and spouses (if applicable) enrolled in the Southwest health plan need to:

- Complete your routine physical between January 1, 2022 and December 31, 2022.
- Have your physician complete and sign the for confirming you received your preventative care physical.
- Return the form to the Treasurer’s office by the first Friday in January.

Employees or spouses who fail to have an annual physical between January 1, 2022 and December 31, 2022 will pay a premium increase beginning on the first paycheck in February 2023. Premium increases will be as follows: 5% per month for all plans.
