Parent & Family Engagement Plan

**What is it?**

The Parent and Family Engagement Plan describes how Harrison Elementary will provide opportunities to improve parent engagement to support student learning. Harrison Elementary values the contributions and involvement of parents in order to establish a partnership for the common goal of improving student achievement. The Parent and Family Engagement Plan describes the different ways the school will support parent engagement and how parents can be involved.

**How is it developed?**

Harrison Elementary distributes a Title I Survey to ask parents for suggestions on how to best meet support their needs and improve student achievement. This parent feedback will be used to revise the Parent and Family Engagement Plan for next year.

**Who is it for?**

All parents at Harrison Elementary are encouraged and invited to fully participate in the opportunities described in the Parent and Family Engagement Plan.
