

# WILLIAM HENRY HARRISON HIGH SCHOOL

## Traffic Patterns

Revised 8/16/22

We believe that traffic will flow most efficiently by directing West Road traffic toward the roundabout and directing Dry Fork Road traffic away from the roundabout. This also allows us to keep West Road as clear as possible for the Harrison Fire Department. We understand that is an inconvenience for some families but we appreciate your patience and understanding.

### ARRIVAL (Student Drop-Off):

When dropping off your student, **please pull as far forward as possible and stay as close to the car in front of you as possible.** You should be facing eastbound with your passenger door nearest the building.

### DISMISSAL (Student Pick-Up):

Families may enter the main campus via the south side (**YELLOW**) or the north side (**ORANGE**); once on campus, families will choose between the two pick-up/exit lanes (**BLUE and GREEN**)

The **GREEN** lane will pick-up on the inside lane nearest the front sidewalk and exit onto **West Road (Left Turn Only)**.

The **BLUE** lane will pick-up on the outside lane nearest the parking area and exit onto **Dry Fork Road (Left Turn Only)**.

**Please pull as far forward as possible and stay as close to the car in front of you as possible.**

### ACTIVITY CENTER – UPDATED TRAFFIC PATTERN 8/16/22

Students may also be picked up at the Activity Center (**PURPLE**) and exit onto **West Road (Right Turn Only)**.

**NOTE: As of Weds 8/17, for dismissal traffic, the WEST entrance to the Activity Center lot and the entrance by the ELECTRONIC SIGN will both be blocked in an effort to keep traffic on West Road moving in both directions. This is indicated on the map with RED rectangles; please note that the PURPLE traffic flow is extended. Vehicles may drive behind the Activity Center to get to the PURPLE route.**
