SUMMER CAMP 2019 JUNE 24-28

STEAM Summer Camp will take place at Harrison Jr. School 9830 West Rd, Harrison, OH 45030

Open to upcoming 3rd - 8th grade. Each session is \$100.

If students select both a morning and afternoon session students will stay for the lunch hour, which consists of a 30-minute lunch (students should pack a lunch) and a 30-minute summer activity planned by the instructors.

CLASS OFFERINGS

MORNING SESSION 9:00-11:00

Minecraft and 3D Printing

6-8 Grade Instructor: Mrs. Couch

This camp will introduce students to the basic of 3d printing, as well as use Minecraft Education Edition to teach a variety of subjects, including architecture and coding.

Armory

3-5 Grade Instructor: Mr. Couch

Using a variety of building techniques students will create their own set of wearable armor. Students can recreate some of their favorite designs from popular culture or design their own.

Art

4-8 Grade Instructor: Mrs. Jones

Unleash your creative energy at Art Camp this summer! Create paintings, drawings, computer graphics, clay and more.

Get ready for a busy and sometimes messy week!

The price includes all materials. Have Fun-Make Art. It's that simple!

AFTERNOON SESSION 12:00-2:00

Stop Motion

6-8 Grade Instructor: Mrs. Jones

This class teaches students how to write, produce, and direct their own stop motion movie. Design and Build sets and use new upgraded Stop Motion apps with fun new features! Screening party on the last day (Popcorn Included!)

Minecraft and 3D Printing

3-5 Grade Instructor: Mrs. Couch

This camp will introduce students to the basic of 3d printing, as well as use Minecraft Education Edition to teach a variety of subjects, including architecture and coding

3D Animation

5-8 Grade Instructor Mr. Couch

Use the computer software Blender students will learn Basic techniques on Blender and create and animate their own 3D Design. (Bring a Mouse and a Flashdrive)

Music Creative

3-6 Grade Instructor: Mrs. Purdy

Use your love of music to explore making unique songs in the online resources: Hookpad, Soundtrap & Noteflight. Bring your headphones, let your musical imagination run wild & create something all your own

Spots are limited, once maximum number of students have been met, no new students can be added.
If minimum students are not met by June 15th the session will be cancelled.
Day of registration can only be offered if the minimum is met, and there is enrollment space available in the session.
Fees are due at check-in on the first day of camp, Checks payable to Southwest Local.
Email questions to alexandria.couch@southwestschools.org.
