WHY SUCH A SPECIFIC FOOD DRIVE?

Great question! As a district, we believe it's our job to care for one another. That means stepping in to help our neighbor when they have a need.

This food will go to support students with an extra food need on the weekend, specifically our youngest elementary students.

These specific items have been chosen as ideal items to be easy to pack, serve and prepare. Please stay as close to the listed items as possible.

**WE APPRECIATE YOUR SUPPORT AND PARTICIPATION IN SUPPORTING
