Parent/Guardian Signature \_\_\_\_\_ Date \_\_\_\_\_

## Advanced Language Overview

Students participate in language arts units of study each quarter. This year students will engage in the following novel studies:

---

---

**Advanced Language Evaluation**

Students will engage in group discussions, project work, technology integration, reading and writing activities, problem solving activities, and decision-making scenarios. Students will be evaluated and progress will be shared throughout the year using: classroom observation and informal teacher feedback, project rubrics, and WEP semester reports to parents.

**Goal measurement criteria:**            **A-Advanced**                    **P-Proficient**                    **N-Needs Improvement**                    **NA-not applicable**

| <b>TAG Goals</b>                | <b>Semester One</b> | <b>Semester Two</b> |
|---------------------------------|---------------------|---------------------|
|                                 |                     |                     |
|                                 |                     |                     |
|                                 |                     |                     |
|                                 |                     |                     |
| <b>Individual Student Goal:</b> |                     |                     |
| <b>Individual Student Goal:</b> |                     |                     |

| <b>Semester One Comments</b> | <b>Semester Two Comments</b> |
|------------------------------|------------------------------|
|                              |                              |
