LETTERS OF RECOMMENDATION

- Stay on the college applications page
- If you haven't already, add an application.
 - DOES NOT have to be a college that you've already started an app for.
- When you've added a college, click on that college in the 'Incomplete' section

The screenshot shows the 'College Applications' dashboard. At the top, there's a yellow header bar with 'Exit Student Demo', a user profile for 'Jeffrey Hernandez', and various icons. Below the header, there's a navigation bar with tabs: 'School search', 'Favorites & lists', 'Admission stats', 'Final list', 'College applications' (selected), and 'Enrollment decision'. The 'College applications' tab is active, showing a 'Board' and 'List' view. A search bar is present with the text 'Search for an application by name'. On the left side, there's a 'Recommendation tracker' section with buttons for 'View all requests', 'Brag Sheet' (labeled 'INCOMPLETE'), 'FAFSA' (labeled 'NOT FILED'), and a 'common app' status (labeled 'CONNECTED'). The main content area is divided into three columns: 'Incomplete', 'Completed & pending', and 'Accepted'. The 'Incomplete' column shows a list of applications, with the first one being 'University of Cincinnati-Main Campus' (labeled 'Unknown') and a 'common app' status of '0/1'. The 'Completed & pending' and 'Accepted' columns are currently empty.

LETTERS OF RECOMMENDATION

- Middle column will say Teacher Evaluations
- Click 'Request Teacher Evaluation'
- Can add any teacher at WHHHS
 - ASK your teacher BEFORE you add them as a recommender, in person. They are allowed to decline or not do it- especially if you don't get their permission first
 - You must add a recommender or recommenders to each of the colleges you want a letter sent to
 - It's allowed to be the same teacher for multiple colleges, they just need to submit their ONE letter to each college link they are sent.
- If you want a rec from someone who is NOT a WHHHS staff, you are able to request them as well.
 - Fill out their email and other information
 - They will be sent a custom link to submit your letter of rec

The screenshot shows the 'College Applications' page for the University of Cincinnati-Main Campus. The interface includes a yellow sidebar with navigation icons for Home, Student, Explore, Plan, Engage, Career, and College. The main content area displays the application status as 'In Progress' with a 'Comments' button. Below this, a table shows the application method as 'Common App' and the type as 'Rolling'. The bottom section is divided into three columns: 'Student checklist' with a 'Submit Application on Common App' button and a 'Complete on Common App' link; 'TEACHER EVALUATIONS' with a reminder to update the student profile and a 'Request Teacher Evaluation' button; and 'COUNSELOR DOCUMENTS' with a 'School Report (General)' document listed as requested on 09/12/2025 by Jeffrey Hernandez.

School Report (General)

Scholarships + Ohio Direct Admission

- You can explore scholarships on SchoolLinks and other national websites (FastWeb, Niche, GoingMerry etc.)
- Local scholarships will be posted in SchoolLinks as they become available.
- Ohio Direct Admission- New for the class of 2027
 - Offers admission from any public university in Ohio if you meet the minimum acceptance requirements.
 - Opt in from high school- Harrison has done this.
- Ohio Guaranteed Admission- top 5% as of end of junior year, scholarships associated with this, Mrs. Truitt will be in contact if you are being considered for this with more information

NEW- CLEP Credit

- If you did not score a 3 or higher on your AP exam, you are eligible to take a CLEP assessment to earn credit
- There are 34 exams available covering college-level subjects
- Each Exam costs \$97 (Same cost as AP test)
- **Take it when you're ready** — you don't have to wait for an annual exam. Keep your knowledge fresh and prep as you need to!
- Qualifying CLEP scores can earn credit at Ohio public colleges & universities and many colleges nationwide
- CLEP credit may also count toward certain Ohio graduation seals

NEW- CLEP Credit

- Be careful- not all colleges accept CLEP credit so be sure to research universities policy before taking the CLEP assessment. Additionally, some AP courses can not be interchangeable with CLEP. For example, AP Human Geography and Art History
- Do not take a CLEP assessment if you are taking a CCP class that you will obtain the same credit in. For example, if I take AP Spanish and score a 2 but the following year, I enroll in CCP Spanish I will obtain college credit if I pass the class- No need for CLEP!
- Your assigned counselor will contact you if you qualify to take the CLEP

1:1 Senior Meeting

- Within the next month, your assigned counselor will meet with you individually to go over your plan for after high school, given a one pager of information
- Review credits and graduation requirements

- Gather resources or materials needed for seals and other graduation requirements
- Summary emailed to parent/guardian
