Dear Parents or Guardians of Incoming 7th grade students,

The Ohio Department of Health requires all incoming 7th grade students to show written documentation of a booster of tetanus, diphtheria and pertussis (**Tdap**) **AND** Meningoccal Vaccine (**MCV4**). One dose of Tdap and one dose of Meningoccal (serogroup A C,W, and Y) vaccine must be administered on or after the child's 10th birthday.

If your child has already received these immunizations, please supply the school with the exact date it was administered with the physician's signature or your child's vaccine record. If your child has not received the vaccines, they must receive it before entering the 7th grade for the 2024-2025 school year. Please submit your child's vaccine record or this form before the start of the next school year. **The student will not be permitted to start school in the fall unless the paperwork is submitted before the first day of school.**

The paperwork can be faxed to school at 513.367.0370, mailed to school, or you can email them to Lisa.kinnett@southwestschools.org. If you have any questions or concerns, please contact the school.

Thank you for your timely response to this important matter.

Lisa Kinnett, RN
513.367.4831
